SUMMARY

- Full-stack developer with proven expertise leading backend architecture at Ecobite, building high-availability RESTful APIs in Node.js, Express and AWS while mentoring remote teams to enforce CI/CD best practices.
- B.Tech Computer Science candidate at Galgotias University (CGPA 8.34) and open-source contributor, skilled in React.js and Python.

SKILLS

Languages: JavaScript, TypeScript, Java, Python

Core CS: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks

Backend: Node.js, Express.js, RESTful APIs, JWT Authentication, Microservices

Databases: MongoDB, Data Warehousing basics

DevOps & Tools: Microsoft Azure, AWS, Docker, Git, GitHub, CI/CD, Application Resiliency

Methodologies: Agile, Scrum, SDLC, Code Review, Automated Testing, Software Improvement

EXPERIENCE

Java Developer Intern— LetsGrowMore

03/2024 – 04/2024

- Architected and developed scalable backend services using **Java, Spring Boot, and PostgreSQL**, improving API response times by **30%** and enhancing application performance.
- Implemented **JWT-based authentication and authorization**, strengthening application security and reducing authentication-related vulnerabilities by **40%**.

Remote

Open Source Contributor — ConnectIndia

08/2025 – 10/2025

- Delivered performance improvements to backend services by refactoring and optimizing **Node.js** integrations, reducing processing overhead by **25%**.
- Strengthened deployment workflows through automated CI/CD processes, improving development efficiency and reducing defect leakage.

Remote

PROJECTS

EcoBite - Smart Surplus Food Marketplace 🌱

Tech: Node.js, Express.js, JavaScript, Firebase

- Built server-side logic with Node.js/Express.js for real-time restaurant listing and order management
- Designed RESTful APIs for user, restaurant, and admin dashboards with clean, modular code

EDUCATION

B.Tech – Computer Science & Engineering | 2023 – Present (Expected Jul 2027)

Galgotias University

CGPA: 8.52 | Coursework: DSA, OOP, DBMS, Backend Systems, Computer Networks

CERTIFICATES

- Microsoft Azure Fundamentals (2025) 🌐
- Oracle Cloud Infrastructure DevOps (2025) 🌐
- Open Source Connect India (2025) 🌐

ACHIEVEMENT

- Solved 300+ DSA problems on platforms like LeetCode / CodeChef
- Strong understanding of time and space complexity optimisation
